

AAPI Young Physicians Section (YPS) AAPI Medical Students Residents & Fellows Section (MSRF)

Sponsorship Overview

American Association of Physicians of Indian Origin

The American Association of Physicians of Indian Origin (AAPI) represents the largest ethnic minority group of physicians in the United States. AAPI's influence extends to all healthcare sectors, and its members include Entrepreneurs, Clinicians, Academicians, and influential Policy Makers at the state and federal levels.

- AAPI comprises 100,000+ physicians and 35,000+ Medical Students, Residents & Fellows.
- AAPI is the largest ethnic/cultural medical association in the US, 2nd largest medical association behind the AMA
- AAPI serves as the umbrella organization for more than 150 Chapter/Alumni/Specialty Associations nationwide, and has sister organizations worldwide
- AAPI is a 501c3 nonprofit organization - all donations and sponsorships are subject to tax deductions where applicable.

Membership

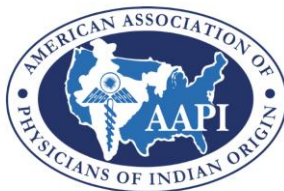

Membership is made of accomplished health professionals who not only serve their communities as providers, but also as community leaders holding positions from the local to federal levels of medicine and government.

Young Physicians Section (YPS)

Consists of physicians of Indian origin who have finished their medical residencies/fellowships within the last 10 years.

Medical Students, Residents, and Fellows (MSRF)

Consists of medical students and physicians who are still in training (Residency or Fellowship)

**Annual Winter Medical Conference (WMC) XIII
Thursday January 29th – Sunday February 1st, 2026
Cancun, Mexico**

The WMC is a unique conference designed to address the issues affecting our Next Generation of physician leaders. Conference participants will take part in interactive sessions led by speakers/panelists of the highest caliber sharing their insights on the rapidly changing healthcare landscape. WMC is designed to create meaningful interactions with healthcare industry leaders, in addition to expanding young physicians' and physicians in training's professional networks. YPS & MSRF have had the honor of hosting many renowned speakers and policy makers.

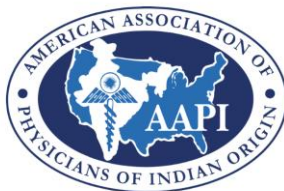

This year's conference will be focused on Community in various perspectives—from building stronger connections within our community of Indian physician to educating healthcare professionals about the particular needs of Indian patients in the community to empowering our community of Indian physicians as we relate to the US healthcare system as a whole. We expect 100-150 attendees.

WMC Sponsorship Packages

WMC draws hundreds of young physicians from across the United States annually, with a steady growth in WMC attendance and new AAPI membership since its inception. Please note, AAPI YPS and MSRF wish to foster more **long-term partnerships**. Thus, these package prices have been steeply discounted from historic rates and with improved offerings. Multi-year commitments will be awarded with additional discounts as noted. These discounted rates will not last forever. We anticipate increasing rates annually as our base continues to grow. So, we *highly encourage long-term commitment*. AAPI is a 501c3 nonprofit organization. Please consult with your CPA for the appropriate tax deductions, where applicable.

GRAND SPONSORSHIP

Grand Sponsors have a unique opportunity to play a more significant role in the WMC, along with a higher profile for the sponsor. This package can be tailored to fit the specific needs of the Grand Sponsor while maximizing facetime with our members. Will not include any other sponsors, providing a unique opportunity to present a captive audience with tailored marketing. If you would like to discuss this further, please contact me or a YPS executive committee member for details and pricing.

AAPI Young Physicians Section (YPS) AAPI Medical Students Residents & Fellows Section (MSRF)
